

Foxdell Infant School

School Improvement Priorities 2020-21

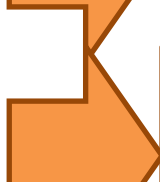

- 
- In light of school closures, implement an effective recovery strategy and adapt the curriculum appropriately so that gaps in learning are addressed.

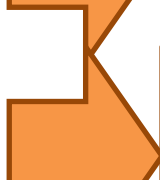

- 
- Continue to improve the emotional wellbeing and mental health of both children and adults.

- 
- Continue to improve standards in phonics, reading and writing by improving the quality and diversity of books available for children to enjoy.

- 
- Improve the provision for SEND pupils to ensure early identification of needs and teachers knowledge of effective differentiation.

- 
- Develop a robust offer for pupils that have English as an additional language/ new starters to ensure an accurate baseline and suitable support

- 
- Attendance: Continue to improve attendance rates for children across all phases of the school, including those who have SEND, through a wide range of established strategies.

- 
- Continue to develop the Governing Body and to ensure all Governors have a good knowledge of the curriculum, available data, new developments and fresh initiatives.

- 
- Safeguarding- Ensure all safeguarding procedures and systems are clear, fully understood by all staff and provide accurate information. Develop a strong culture of safeguarding across the school.
