Text: There's a Boy in the Girls' Bathroom by Louis Sachar

Personal Journey Story - We will be exploring concepts of bullying, exclusion from peer groups and positive strategies to overcome adversity which is linked to the above text.

Persuasion - Pupils will be writing a letter to the local authority asking for funding for a school well-being officer.

Geography

We are exploring the Ancient Mayans and how they lived and the number system used to communicate and locate geographic features on a map.

Art

We are learning about retrofuturist and developing our skills in evaluating images and creating art through various drawing processes.

French

Using the Rigolo scheme of work, pupils will develop their oral skills to gain confidence in asking questions and describe places they have visited.

Year 5 Curriculum Maps Summer 1

Values - Determination and Responsibility

Key dates - Whipsnade Zoo and Summer Fair.

Reminders: Reading daily for at least 20 minutes and reading record to be signed daily. Homework must also be completed weekly and spellings learned.

Music

We are using our knowledge of pitch and tone to learn how to play the violin.

RE: We are learning about what matters the most to humanists and Christians. Pupils will be focusing on what is good and bad and why people choose to lead good lives.

Science - We are learning about life cycles and the reproduction of flowering plants. Pupils will also learn about reproduction in animals focusing on birds and reptiles. They will also be comparing and sorting different animal species depending on how they reproduce.

Maths: White Rose Maths

Pupils will be recapping and embedding knowledge of angles before going on to reading and plotting coordinates on a coordinate grid. They will also be focussing on decimals and how to add and subtract decimals within 1 whole using known facts.

The pupils will move on to using formal methods to add and subtract decimals later on in the unit.

PE - We are developing our PE skills focussing on balance and movement (Health and Fitness). Please remind pupils to wear the correct PE uniform.

PE Lesson Days:

Ivy: Monday and Wednesday

Cedar: Monday and Friday

Spruce: Monday and Thursday

PSHE- Using the Jigsaw scheme of work, pupils will develop their knowledge of healthy relationships and focus on the positive relationships around them.

Computing

We are learning about flat file databases and our Project Evolve topic is copyright and ownership.
