

English

Key texts: *Little Red Riding Hood*

This term, we will be learning a story about the Little Red Riding Hood and writing a warning text based on the story. We will be writing using descriptive language and will carefully choose words to create an effect for the reader.

History

In history we will be learning about what school was like in Victorian times. We will also compare similarities and differences between schools in the past and schools today.

Art

This half term the children will be learning different techniques to improve their drawing skills. We will use different tools and techniques such as making marks to create texture. Our final piece will be a drawing of an imaginary character with distinctive facial features.

RE

In RE we will explore how we know that some people are believed to have a special connection to God by looking for clues in religious stories from different world religions.

Year 2 Curriculum Map Spring 1 2026

Values : Relationships

Safer Internet Day: Tuesday 10th February

Reminders: Reading Cafe –Thursday mornings 8.45–9.00

P.E. Lesson Days

Badgers – Tuesday & Wednesday

Hedgehogs – Monday & Friday

Squirrels – Monday & Tuesday

Please make sure your child is reading daily and completing all their homework.

Music

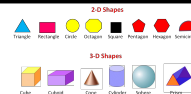

In music we will continue to learn about rhythm, tempo and dynamics. We will explore timbre and match it to a song.

Science

Our focus this half term is materials. The children will name and sort litter into recycling groups based on their materials. They will suggest ways that waste can be recycled and reused for another purpose.

Maths

We will focus on identifying 2D and 3D shapes and counting the edges and vertices of shapes. We will also learn about money and the value of different coins and notes. Children will apply their knowledge and use money to buy items and give change by adding and subtracting coins and notes.

PE

During PE the children will be learning how to dance by developing shapes and circles and create sequences of movement. At the end of the unit they will challenge themselves to create and perform their dance to others.

PSHE

The children will explore their personal dreams and set realistic goals for themselves. They will also share ideas on how to stay motivated and work hard to achieve them.

Computing

The children will be learning to code using Purple Mash. At the end of our unit, the children will be able to test a code and debug it, as well as create their own program based on a specific design criteria.
