

English

Key text: Percy the Park Keeper

In English, we will be learning how to write a set of instructions. We will learn how to put a set of instructions together with a focus on chronological order and using key terminology. We will be continuing with daily phonics lessons in preparation for our Phonics Screening Check.

Geography This half term, we will be answering the question 'What is it like to live in Shanghai?' We will be locating China on a world map and looking at Shanghai in detail. We will be looking at human and physical features within Shanghai and comparing these to our own local area.

DT

In DT, the children will be focusing on textiles. We will be learning how to join felt together using a range of techniques. We will then be designing and making our own finger puppets.

RE

We will be answering the question 'Why should we care for others?' We will be learning about the importance of caring for others and identify ways that caring for others is important within different religions.

Year 1 Curriculum Map Summer 2 2026

Values - Resilience

Key Dates

Reading Cafe : Every Thursday 8:45 am-9:00 am

Phonics Screening Test: Week beginning 8th June 2026

Creative Week: 13th July 2026

Please remember that your child should be reading daily.

Music

In our music lessons we will be learning different songs, finding the tempo and exploring rhythm with a range of instruments.

Science

In Science, the children will be learning how to classify animals into carnivores, herbivores and omnivores. They will explore the diets for these animals and look at the types of teeth that these animals have.

Maths

In maths, the children will continue to develop their arithmetic skills and they will learn about number and the place value of numbers up to 100.

They will also learn about time and money and use this knowledge to solve problems.

PE In PE this half term, the children will be developing their coordination skills by sending and receiving and reaction and response. They will do this by playing a variety of games. Year one will also be playing invasion games to apply the skills learnt this year.

PE days: Ladybirds and Butterflies - Monday and Thursday
Dragonflies - Tuesday and Thursday

PSHE This half term our focus is 'Changing Me'. In these lessons we will be learning about different changes that we go through. This will include physical changes and changes at school.

Computing In computing, the children will be introduced to the term 'algorithm'. Children will learn that correcting errors in an algorithm or program is called 'debugging'. They will learn about keeping personal information safe online.
